Dear Parents,

## **Spring Creek Elementary Title 1 Parent Involvement Policy 2018-2019 School Year**

Spring Creek Elementary School will provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

- Scientifically research-based curriculum will be used
- Students will be instructed by highly qualified teachers and staff
- Students will be tested at least three times a year at the Beginning, Middle, and end of the year.
- Progress monitoring will be on going throughout the year

Spring Creek will hold parent conferences annually during which the parent compact will be discussed in relation to the individual child's achievement. These conferences will be held in the fall and spring or whenever necessary.

Spring Creek will provide opportunities for parents to volunteer at the school during parties, field trips, library activities, Watch D.O.G.S, Deer Moms, and Title 1 events and meetings. Parents will be involved in other ways in an organized, ongoing manner with the end result being parent involvement that is meaningful. On the request of parents, opportunities will be provided for meetings with parents to formulate suggestions for participation, as appropriate, in decisions about the education of their children.

Spring Creek will have a parent-student-teacher compact in place which lists responsibilities for each party involved. This will include home and class procedures. Information to parents will be presented in an understandable and uniform format. Parents will be involved in the joint development of any school wide program, plan, in an organized, ongoing, and timely way. This will include Spring Creek Elementary Parent Involvement Policy.

Sincerely,

Michelle Eidson
